# Our Excursions

**In 2025, Conway Scenic will celebrate 150 years of rail service over Crawford Notch with its signature 4 1/2 hour excursion; one way and round trips options are available.**

**Ideal for families with children. Since 1974, this 1-hour round trip excursion has recreated the classic experience of a rural New England branch line railroad.**

**In 2024, Conway Scenic reintroduced winter operations to Crawford Notch for the first time in more than 60 years, bringing passengers through a true winter wonderland.**
