

# SULLIVAN CATSKILLS

## A Group-Friendly, Legendary, and Historic Vacationland

We've been attracting visitors to our spectacular scenery since the early 19th century. And we once hosted a half million people at the 1969 Woodstock Music and Art Fair— now home to Bethel Woods Center for the Arts— a National Register Historic Site. Today, our low-key vibe and small-town charm provide the perfect respite for our guests.

### Stay Awhile

Whether your group wants to indulge and luxuriate, or sleep under starry skies, our lodgings are wide and varied: full-service high-end resorts, chic boutique inns, intimate B&Bs and inns, cozy cottages, vacation rentals, and camping perfect for groups large and small.

## SOME OF AMERICA'S MOST UNIQUE ATTRACTIONS

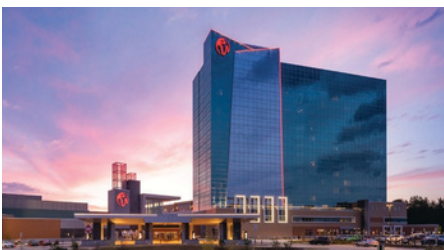

The **Sullivan Catskills Dove Trail** features 70 hand-painted dove sculptures. It's our tribute to the legacy of the 1969 Woodstock Music and Art Fair held in Bethel.

**Bethel Woods Center for the Arts** and **The Museum at Bethel Woods** at the site of the Woodstock festival offers live concerts at a 16,000 seat outdoor pavilion. There are also exhibits, festivals, and arts programs. The Museum tells the history of Woodstock and the '60s

The birthplace of **American Dry-fly Fishing**. Anglers from all over the world fish in our famed waters: the Beaverkill, Neversink, Upper Delaware, and Esopus, and Willowemoc.

**Resorts World Catskills** is NY's largest Resort Casino featuring an 18-story hotel, 100,000 square feet of Las-Vegas style table games, slots poker and more.

**Driftwood Ranch** is a working horse and cattle ranch, run by authentic cowboys. We invite you to embrace ranch life, connect with nature and spend the weekend the cowboy way.

The only river designated a **National Park**—Delaware— is perfect for day trips. Groups love gently floating their boat—rafts, canoes, and kayaks— downriver.
