

RAINBOW AIR
HELICOPTER TOURS

EXPERIENCE

NIAGARA FALLS LIKE NEVER BEFORE

For 30 years, Rainbow Air Helicopters has been creating unforgettable memories for guests from around the world. Now, we're soaring to new heights! In Spring 2025, we're unveiling the \$15 million **Rainbow Air Tourism Center** — a state-of-the-art, year-round destination just minutes from Niagara Falls State Park.

TAKE FLIGHT WITH OUR NEW HELICOPTER TOURS

Get ready to experience the Falls from an entirely new perspective. Our upgraded fleet of Airbus H130 helicopters offers:

- **Seating for seven passengers** with stadium-style comfort.
- **Quieter technology** for a serene and immersive ride.
- **Oversized windows** for panoramic views.

Our thrilling new tour route is almost entirely over water, giving you unparalleled views of the majestic Niagara Falls and its radiant rainbows.

SOAR ABOVE

INTRODUCING THE RAINBOW AIR TOURISM CENTER

More than just a flight, our new facility offers year-round excitement for visitors of all ages. From virtual adventures to interactive exhibits, there's something for everyone to enjoy.

DISCOVER OUR NEW ATTRACTIONS AND AMENITIES

The Rainbow Air Tourism Center is designed to make your visit as thrilling and convenient as possible. Here's what awaits:

- **"The Flight Deck: Virtual Reality Parasailing"**
Simulators: Experience the sensation of parasailing above Niagara Falls in our motion-based, fully immersive flying experience which gives you the sensation of flying under canopy. Spectators can watch these adventures on live monitors.
- **Interactive Aviation Heritage Area:** Step into the history of aviation with exhibits, artifacts, and a real helicopter display that showcases local contributions to aviation and space travel.
- **Guest Amenities:** Enjoy our welcoming entry and ticketing area, a fully stocked gift shop, a professional photo studio, and ample outdoor seating to watch the helicopters in action.

FREE PARKING, WORLD-CLASS
ATTRACTIONS, AND MEMORIES
