

# PLAN YOUR GROUP TRIP

## The REV Theatre Company

On Owasco Lake, The REV Theatre Company brings world class professional musicals and theatrical performances—known as “Broadway in the Finger Lakes”—to the Merry-Go-Round Playhouse each year from May-October. The playhouse, located in a historic carousel building in picturesque Emerson Park, is one of upstate New York’s most beloved professional theatre venue.

## Finger Lakes Sweet Treat Trail

A trail of locally grown and produced items such as honey, jams, syrups, and fruits is a must-do! Group Friendly stops include Strawberry Fields Hydroponic Farm, The Apple Station Winery, Owen Orchards and New Hope Mills. From picking fresh strawberries to trying and bringing home central NY’s #1 pancake mix you’ll find something to suit everyone’s taste.

## Wine, Beer & Cider

Nearly all of the craft beverage producers in Cayuga Co. are small and family run which we think makes them extra special. Bring your group to sample award winning wine, beer & cider and make sure to leave room on the bus to bring some home!

## MacKenzie-Childs Outlet

Bring your group to tour the headquarters of the internationally famous MacKenzie-Childs. Known for their imaginative and whimsical hand-decorated tableware & home furnishings.

## Erie Canal

A convenient stop from the thruway or a quick ride from Auburn, the Old Erie Canal Heritage Park in Port Byron is a wonderful stop for groups of all sizes. Walk your group through original buildings, the new welcome center and even through dry sections of the actual canal.
